I have reserved the Bay Street Room at Capital Grill from 1:30PM to 4:00 Friday February 12, 2016 for a food and beverage required bill of at least \$600. The room can be set up for up to 30 but will be downsized to the actual count just before the event when we have a closer count confirmed.

I am expecting Andrew Gillum's Group will be 3, Southport 3, I've also called Charlie and will address the caveat Marley and I discussed today if he does come.

Should the event cost be in Ruth's List name? I have reserved the room in my name, but perhaps under campaign regs it should be in Ruth's List's name. I'll reimburse Ruth's List if that is preferred.

Also, please look at the attached menu for drinks and appetizers – cocktails yea or nay, what appetizers?

Related to that, I wanted to ask you if you could provide some insight into the lunch meeting we have scheduled next Friday. Could you let me know who will be attending the meeting and also if Mayor Gillum should prepare anything?

We both look very much forward to connecting again next week.

Hi Jude,

FYI. See below. I called earlier today and requested that the third room be cancelled. Amanda from reservations said she would take care of it. The one I cancelled was the only room with the king bed.

I also requested a paid upgrade, via an email that I was sent, to a fantastic suite for one of the two remaining rooms. I would appreciate your follow up on that as well to make sure it goes through. Even if the suite only comes with a king bed that is absolutely fine - FYI.

Also, I looked at the change that was made to the rooms for ATL, and it appears she made one of the rooms a king bed.

Unfortunately that won't work b/c there are two guys in each room. I hate to keep bothering you about this, but I wondered if you could ask her to quote the price of

Two nights in their Fantastic Suite.

Either way, we'll only need two rooms. You can cancel the 3rd if they will allow.

If you have a moment to speak by phone I'd be happy to do that as well. They would not allow me to cancel the room myself because I didn't have the last four digits to your credit card.

Hi Adam,

I hope you had a great stay at The Westin Bund Center, Shanghai. As always, I'm happy to help you.

In my system, all 3 rooms at W Atlanta - Midtown were still active. I have now had c 691808936 canceled without penalty. That was the room with the king bed. Your cancel number is C07W8691A15.

You and Mayor Gillum still have 2 rooms with 2 beds ready for check in later today. I looked into the possibility of an upgrade to a fantastic suite either with or without a fee, Adam. I know you want everything to go smoothly for Mayor Gillum. However, all of our marvelous and fantastic suites are committed for tonight and tomorrow night. In light of this, we are making sure the best rooms on the highest floors will be offered to your guests.

Please remember to request an ambassador associate from our global team when I'm not in the office, Adam. That way, I have documentation about every conversation that takes place and can make sure you're looked after. You know you're important to me.

Be safe in your travels. I expect a few pictures once you return!

Mission

Forward Florida (FowardFL) is a leadership PAC focused on improving the quality of life for all Floridians, while tackling serious statewide issues and opportunities that can advance the Sunshine State as a leading model of economic, environmental, and social innovation in the U.S and around the world.

FowardFL seeks to advance this mission by supporting dynamic leaders, organizations, initiatives, and ideas that embrace innovation, create opportunity, uphold justice, and that help to build a new economy.

Objectives

FowardFL will invest in people and efforts that:

- Help to create high-paying jobs, opportunities for people to join the middle class, as well as an economic environment where good people can work to get ahead.
- Educate communities about the importance of early childhood development, and the necessity of making effective investment in quality education for children and families.
- Develop and apply new energy technologies, and develop Florida as a world leader in energy production and innovation.
- Improve the cost and access to healthcare for Floridians, while protecting the state's most vulnerable populations.
- Invest in efforts that develop the new industries of the future, through innovation, entrepreneurship, research commercialization, and workforce enhancement.
- Improve access and quality of education and job training, and increase the investments made in preparing youth for the opportunities they need to be successful.
- Fight for smarter criminal justice policies that invest resources more effectively, and that ensure better individual and community outcomes.

Action Agenda

The FowardFL PAC will support forward thinking candidates that have the ability to drive measurable impacts for their community and state. It will also support programs and organizations that work to advance innovative ideas, or that work against efforts that threaten the freedom, fairness, or opportunity of Floridians. FowardFL will also seek to convene leaders around important issues and ideas, to develop more inventive public policy approaches, and to ultimately drive better outcomes for the state of Florida.

Brice,

It was so nice to finally meet you. I think the event was a huge success as well and I appreciate your leadership in helping us put it together. Please note that Mike Miller will not be contributing the 5k mentioned below. Instead, he is helping to underwrite the cost of the meals and drinks we enjoyed.

Are you planning to follow up with Peter Leach and Gordon Thames or do you want Nick Lowe to handle that? Also, we put out an email to all of the guests from last night thanking them for coming and asking them to consider contributing if they hadn't already. We will keep you apprised on that.

@Sharon, can you please keep track of these donations as well?

Thanks,

Mike,

I hope you are having a great weekend. Attached is the invoice for the dinner you graciously offered to sponsor. As mentioned, it was a bit higher than I expected because of some last minute attendees so let me know what you would like to cover and I'll handle the rest. Again, I really appreciate this!

Also, give me a shout about the Vegas trip you mentioned. I have another idea.

Bordeaux and Bow Ties

Bonjour Friends,

I am very excited to let you know about our first annual Bordeaux and Bow Ties Wine Dinner being held on Wednesday, October 19th, in Tallahassee at The Edison Restaurant. Monsieur Jean-Emmanuel Danjoy is the Wine Director at Chateau Clerc Milon and he will be traveling from Bordeaux, France to spend an evening with us while we explore and savor select wines from Pauillac that span three decades. In addition to Chateau Clerc Milon, we will also experience hard-to-get wines from Chateau Mouton Rothschild, which is also owned by the Rothschild family and is an illustrious first growth.

We are capping this dinner to 46 guests so please let us know as soon as possible if you would like to attend. The cost is \$200 per person and it is accompanied by a 6 course meal specially selected by our Chef and Monsieur Jean-Emmanuel.

Please see below for the bio of Jean-Emmanuel Danjoy, Director, Château Clerc Milon or click the link above to learn more about this vineyard and its rich history in France:

Jean-Emmanuel Danjoy joined Baron Philippe de Rothschild S.A. as Director of Château Clerc Milon on January 1st, 2009. The newly created position was the first step in setting up a team entirely devoted to giving this Pauillac classified growth a new lease on life.

Mr. Danjoy's appointment followed ten vintages spent at Opus One Winery in California, starting with an internship in 1999. He was promoted to the specially created position of Viticulturist in 2001, then Assistant Winemaker/Viticulturist in 2003. During his tenure in Napa Valley, Mr. Danjoy was deeply involved in California's wine industry. He served on the board of the Napa Valley Wine Technical Group, was a member of the Best Paper Committee of the American Society for Viticulture & Enology (ASEV), addressed the ASEV conference and lectured to enology students at UC Davis.

Having remained very close to Pauillac and its classified growths, due to the bond that unites the Opus One Winery and Baron Philippe de Rothschild, Mr. Danjoy is imbued with the philosophy of excellence and innovation expressed by Baron Philippe in Château Mouton Rothschild. His return to the Bordeaux region reflects a genuine passion for its great wines, as well as the desire to take up an exceptional challenge in a legendary terroir.

In 2000, Mr. Danjoy obtained a master's degree in agribusiness from the École Supérieure d'Agriculture de Purpan (Toulouse, France) and was awarded the national Enologist diploma. His academic studies included viticulture and winemaking internships in Madiran (France), Ben Slimane (Morocco), Bordeaux (France) and Stellenbosch (South Africa).

Thanks,
Adam
