First love and best wishes,  longels  From: Williamson Nelson, Melissa  lent: Tuesday, October 27, 2009 5:18 PM  for: SAO All  lubject:  am leaving my post as a prosecutor this afternoon after a great career. In thinking speriences I have had - I've been in the JSO helicopter during a highspeed robbery aspects; I've walked through crime scenes with outstanding detectives; I've sat on or my own cases, but many others I have had the opportunity to learn from extraction premier experts.  I have had the opportunity to learn from extraction provided injustices but it is the combined dedication towards till of our parts come together in that pursuit is a remarkable thing to behold.  I have been inspired more times that I can recount by watching you all work tireless of light for them. I have been awestruck time and again by watching incredible crost reguments. I have been humbled by the great minds I have found in my colleagues, whole have made to achieve just ends.  To those of you that I have worked for and with - THANK YOU - It has been a thrifted state of the property of the second of the second of the property of the second of the property of the second of the second of the property of the second of the property of the second of the s	back on my time here, I am reminded of all of the exciting chase from the air, I've watched nailbiting interrogations of my hands with my heart pounding awaiting verdicts - not just redinary trial lawyers, from top-notch law enforcement and we come to admire and regard as friends.
