Dear Governor Scott:

Please accept this letter as formal notification of my resignation from my position as Executive Director of the Agency for State Technology effective March 7, 2017.

My years directing the Agency for State Technology and my prior service as your Technology Policy Coordinator have been some of the best of my life. I cannot thank you enough for all of the opportunities and experiences you have provided me during my time served within your administration.

Under your leadership, the state of Florida has become a nationally recognized leader in government technology. This is a direct reflection of your support of the agency and our mission.

It has been an honor and a privilege to serve as the Executive Director and State Chief Information Officer and to lead such a dedicated group of public servants whose daily efforts enable Florida's technology assets to run efficiently and effectively whilst serving our citizenry.

If I can ever be of service to you going forward, please do not hesitate to contact me.

Sincerely,
